Valley Of Secrets:

Valley of Secrets Charmian Hussey,2011-04-07 Abandoned as a baby Stephen had nearly given up hope of ever finding his family This epic adventure follows his change in fortunes as he receives an unexpected letter from a strange source and sets off on an unforgettable journey From a drab room in London where the rain confirms the greyness of his life Stephen travels to a Cornish Valley remote exquisitely beautiful and heavy with secrets

The Valley of Secrets Charmian Hussey,2004-10 Stephen Lansbury is an orphan He thinks he has no relatives at all until the day a letter arrives telling him that a distant uncle is dead Suddenly Stephen finds himself the only heir to a great estate in the countryside So Stephen sets off to claim his inheritance but when he arrives there is nothing to greet him at Lansbury Hall but a mystery The puzzle is as tangled as the vines on the hall s front gate but two things are clear Stephen s uncle kept to himself and none of the townspeople knows he s dead But why does Stephen feel that something or someone is in the house To escape the slightly creepy feeling that someone is lurking Stephen starts to read his great uncle s diary And a fantastic truth unfolds Soon Stephen is sure While the mystery of Lansbury Hall is stranger than he could have imagined it s not nearly as incredible as reality

The Golden Boy of the Apocalypse Jamie Duran,2024-11-12 The sun humanity s cradle became its pyre A solar flare of unimaginable force scorched the Earth twisting life into monstrous new forms and leaving whispers of something else in the ravaged air Eighteen year old Cole West once the golden boy of his Appalachian town watched his idyllic world crumble But from the ashes of that lost future something within him awakened a sensitivity to the altered electromagnetic fields a power echoing the earth s ravaged heartbeat a power he never asked for Now Cole must protect his traumatized family in a world stalked by mutated predators and the Vultures a fanatical cult led by the charismatic Silas Vane Silas preaches that the flare was a divine purge and he sees Cole s burgeoning power as a threat a rival claim to divine mandate Caught in Silas s obsessive gaze Cole must navigate a landscape of fear and desperation choosing between clinging to the ghost of his past or embracing the terrifying potential within Aided by Kristina Black a brilliant but haunted tinkerer searching for atonement and Scott Pitts his childhood friend whose grief has forged him into a tactical prodigy Cole forms a desperate resistance But leadership is a heavy burden and every decision amplified by his newfound power ripples through their fragile community with devastating consequences Within the ruins of a forgotten research facility a terrifying truth awaits the flare was no accident It was a failed experiment one that awakened Cole s abilities and hinted at a second far more destructive flare waiting to be unleashed And Silas consumed by his warped vision intends to trigger it completing his twisted vision of divine cleansing Torn between the seductive whispers of his own power and the desperate need to protect his loved ones Cole must confront the darkness within and choose his destiny Will he become the monster Silas fears or the reluctant savior his broken world so desperately needs The fate of what remains of humanity hangs in the balance beneath a mutated sky pulsating with the promise of final annihilation
