Witchcraft Academy Global Trend:

African Witchcraft and Global Asylum-Seeking Katherine Luongo,2023-04-17 This book analyzes how over the last two decades immigration regimes in three primary refugee receiving states in the Global North Canada Australia and the United Kingdom have engaged with allegations about witchcraft driven violence made by asylum seekers coming from Anglophone countries across the African continent The work intervenes at the nexus of anthropological historical legal developmental and human rights literatures to offer fresh insights into extrajudicial violence and global migration Taking witchcraft based asylum cases as its focal point it argues that the recent dramatic expansion in claims to refugee protection under the particular social group category of the 1951 UN Refugee Convention reflects immigration authorities increasing willingness to consider how legally recognizable persecution can derive from cultural practices and beliefs Reflecting critically on such cases it advances understandings of how witchcraft beliefs and practices have persisted as significant engines of violence in the contemporary world It sheds light both on the limits of legal pluralism and cultural relativism in asylum adjudication and on how social scientific expertise contributes not simply to the flow of ideas but also to the channelling of people across national cultural and epistemological boundaries The book will be essential reading for students and researchers in legal anthropology African studies human rights transnational history migration and refugee law and policy and the history and anthropology of witchcraft

contemporary problems faced by managers in dealing with people organizations and change in a theoretically informed and practical way It does so by drawing on classic studies in management up to date research including the author s own case studies and reflective exercises This textbook approaches people management and organizational development from the perspective of practising and aspiring managers making it a valuable alternative to existing texts on organizational behaviour change management and human resource management This third edition incorporates new research and recent changes in technology including artificial intelligence work and job design and additional insights into innovation corporate governance and sustainability Built around a chapter framework that connects different themes to managerial action and practices this textbook covers a wide range of topics including managing at the individual group and organizational levels culture change managing internationally reputation management managing creativity and innovation and corporate governance corporate social responsibility and sustainability There is an increased international flavour reflected in the range of contemporary case studies and literature used throughout which explore business and management problems in the private and public sectors The content also reflects the author s recent experience of consulting and managing at board level This text will be relevant to practising and aspiring managers studying leadership people management organizational behaviour and development and change management on courses at later stage undergraduate masters doctoral and executive education levels

Making Sense of "God" Norman Solomon,2023-05-04 All over the world people talk about God and argue endlessly about what God said and what if anything we should do about it Do they know what are they talking about Do they ever seriously consider what it might look like or feel like if God actually spoke to you How could you tell if someone said God spoke to them whether they were deluded bluffing or high on drugs The reflections dialogues and arguments in this book address such questions often with humor sometimes provocatively as when the author suggests the ancient gods have returned to invade the institutions of our great religions or when two spirits William and James viewing the world from afar voice their doubt as to whether the human species will ever attain the pinnacles of cooperation reason beauty and love Ancient texts from the Mayan Popol Vuh through the Bible to the Chinese classics are invoked and the discoveries of modern science from anthropology to zoology are brought into play as the reader is gently led to an appreciation of the role of religious language in modern society
