Tiger Walks:

A Tiger Walks Ian Niall, 1960 **Tiger!** Kailash Sankhala, 1978 **Vera Miles** Christopher McKittrick, 2025-03-25

Captivating talented and beautiful Vera Miles was destined for fame Within a few years of making her way to Hollywood in 1949 she starred in such films as *The Rose Bowl Story* 1952 *Tarzan's Hidden Jungle* 1955 and *Wichita* 1955 Her frequent television performances so enthralled Alfred Hitchcock that he chose her to be Grace Kelly's successor for roles in *The Wrong Man* 1956 and the iconic film *Psycho* 1960 She also starred in John Ford's *The Searchers* 1956 and *The Man Who Shot Liberty Valance* 1962 Miles's illustrious film and television career spanned nearly fifty years in Hollywood and yet she is still considered one of the most unsung film actresses of her era Vera Miles *The Hitchcock Blonde Who Got Away* is the first full length biography of the talented performer's life and extensive body of work Integrating historical interviews and archival materials author Christopher McKittrick reveals the struggles Miles faced as a working mother in the 1950s and 1960s and why she was compelled to step away from the lead role in *Vertigo* a choice that irrevocably sundered her relationship with Hitchcock Yet Miles would go on to appear in nearly two hundred television shows including *The Twilight Zone* *The Fugitive* *Ironside* and *The Virginian* as well as numerous Disney films She would work with some of the most talented actors in Hollywood John Wayne Bob Hope and James Stewart among them and would receive a star on the Hollywood Walk of Fame By highlighting Miles as the lead in her own story McKittrick amplifies the voice of this remarkable and prolific actress who was far more than just a footnote in Hitchcock's film legacy

The God Effect is Real Sujith Ittan, 2025-07-14 Something is really wrong with our reality It appears that our minds are being manipulated Synchronicities and the collective unconscious are clues about the mind manipulation mechanism This mechanism is the God effect according to the author The God effect implies that there is an intelligent entity controlling our minds Who is this intelligent entity manipulating our minds A God must be responsible for the God effect How exactly is this God manipulating our minds in this reality that is based on the principles of materialism that we know so well through our sciences We are unable to account for the God effect within the paradigm of materialism Are we in a reality based on idealism where consciousness is fundamental and an intelligent God exists in this context Or are we living inside a computer simulation What is the nature of our minds In order to account for God we have to question our understanding of our reality and we have to ask if we are truly in control of our minds thoughts and actions This is a gist of the God mind and reality problem that the author tries to discuss in this book In his first book the author wondered if a simulation accounts for the God effect In this book he wonders if idealism with consciousness first principles and an intelligent God solves the problem
