[The Beautiful Noise in My Head](#) Christopher Higgins,2011-07 The Beautiful Noise in My Head is a journey through Caribbean waves and the spirits that occupy the coconut trees This book of poetry travels the world and generations It unearths the voices of ghosts which had been lost for a while With each poem a vast amount of emotions will be incited in the reader leaving a casualty of feelings to be reconciled The book revisits the doorsteps of slaves and fallen victims of the streets It exposes the candy stealer of the wealthy and gives independence to poor people s fingers These voices that were circumcised at birth will finally be able to sit at the table and enjoy the same meal as a result of the words that perfume each page of this book From the revealing Conversation with a Whiteman to the provoking Hollywood Crack House The Beautiful Noise in My Head travels at a high rate speed never letting the reader take a breath They are the sounds the author heard while the quiet became loud with each step taken in a foreign land
