from their native world and transported to an entirely different Earth a place where the fabric of time is manipulated by common household appliances Afflicted with time bending powers they never wanted and on the run from unexpected new enemies the Silvers embarked on a dangerous journey for survival across an alien America a hunt for answers that bound the group like family while revealing the gravely sinister intentions of their so called saviors But their new Earth is about to suffer the same fate as the old one and the Silvers have only ten weeks to prevent it Their one hope is to find the remaining survivors of their home world a quest that will take them from Mexico to England to a radically changed Japan to gain more allies for the final confrontation with the godlike beings who first brought them to this Earth Failure will mean death for billions of people But victory may come at a cost the Silvers can t afford

**Don't Tell a Soul** Beth Cruise,1994 Kelly tries her hand at acting She thinks she s the next Julia Roberts How can the gang break it to her that she s more like Barney the Dinosaur

**Quirky Stories & Poems** Charles Bins,2023-08-08 This book is about many things real and fictionalized recollections about growing up pleasure and pain good and evil as well as quirky insights into human nature It includes stories and poems for children teens and adults Most stories are under 600 words so it s perfect for the coffee or night table bathroom or flight bag Quirky Stories Poems is divided into three sections so dive in where you wish and revisit often

Backwards Stories and poems about childhood and adolescence as well as those that look to the past The first seven or eight pieces are great for reading aloud to children The section then progresses into themes for adolescents and young adults

Forward These pieces look ahead sometimes just minutes around the corner sometimes decades You ll find stories that consider how people might change and how things might change people Some are sci fi some humorous some both Many carry messages for today

Upside Down This section is filled with characters who are confused on the edge or over it But not all of them

Between the lines you ll find angels and those of a darker nature so pay attention it s not always easy to tell them apart

**Silver Spurs** Beth Cruise,1994 The whole gang heads out to a dude ranch for a little rest and relaxation But these teen tenderfoots soon find out there s more to a cow than just its moo

**Paco** John Benton,1984

*Race Against Time* Jack E. Davis,2004-10-01 While many studies of race relations have focused on the black experience *Race against Time* strives to unravel the emotional and cultural foundations of race in the white mind Jack E Davis combed primary documents in Natchez Mississippi and absorbed the town s oral history to understand white racial attitudes there over the past seven decades a period rich in social change strife and reconciliation What he found in this community that cultivates for profit a romantic view of the Old South challenges conventional assumptions about racial prejudice Davis engagingly and effortlessly weaves between nineteenth and twentieth centuries white observations and black to describe patterns of social interaction in Natchez in the workplace education politics religion and daily life It was not he discovers false notions of biological differences reinforced by class and economic conflict that lay at the heart of the town s racial divide but rather the perception of a black white cultural divergence in values in education work and family White culture was deemed superior a

presumption manifested through a hierarchy of old family elite and other white citizens Since 1930 Natchez has developed a major tourist industry downsized sharecropping expanded its manufacturing sector and participated in the struggles for civil rights school desegregation and black political empowerment Yet the collective white perception of a mythic past has continued reinforced through the sum of Natchez s public history social memory school textbooks breathtaking antebellum mansions and world famous Pilgrimage In Race against Time Davis sensitively lays bare the need for shared control of the town s history and the acknowledgment of intercultural dependence to effect true racial equality Building upon the 1941 classic Deep South A Social Anthropological Study of Caste and Class Davis brings tremendous passion and insight to the demanding issue of race as he fathoms the contours of Natchez s distinctive racial dynamics in recent decades
