## **The Lords:**

*The Lord's Prayer (Touchstone Texts)* William M. IV Wright, 2023-02-28 Since the beginning of Christianity the Lord's Prayer has occupied an important place in the lives of Jesus's disciples for it is the prayer Jesus himself taught them. Like other biblical prayers the Lord's Prayer contains words people offer to God. But since this prayer is from Jesus and is part of Scripture it is also God's Word to people. When we say this prayer not only are we speaking to God but God is also speaking to us. Highly regarded New Testament scholar William Wright shows how this classic text can speak afresh to the life of the church today. He integrates critical exegesis, theological exposition, and Christian spirituality to explicate the theological substance of the Lord's Prayer. His goal is to help readers come to know God and love God and others more deeply through a focused study of this important Christian prayer. The Touchstone Texts series addresses key Bible passages making high quality biblical scholarship accessible to the church. The series editor is Stephen B. Chapman, Duke Divinity School. **Shall Ritualism Turn "the Lord's Table" Into an "Altar" of Sacrifice? [The Lord's Supper in Corinth in the Context of Greco-Roman Private Associations](#) Jin Hwan Lee, 2018-11-02 In this socio-historical study Jin Hwan Lee offers fresh insights on social aspects of communal banqueting practice in early Christ groups, particularly in Corinth. With an emphasis on banqueting practice in Greco-Roman private associations, he attempts to understand social conflicts at communal gatherings of the Christ group in Corinth. His research on the social dynamics of banquet meetings in associations is thorough, fresh, and even striking; readers will be amply rewarded by new ideas in this field. Making use of a wide range of ancient literature and epigraphical and papyrological sources from associations, Lee helps recover the real issues that the Christ group members encountered at their communal meal described in 1 Cor 11:17-34, boldly claiming that current scholarly approaches to these issues at the Corinthian Christ group communal meal are anachronistic. Lee provides a new paradigm for thinking about early Christ movement meals and by and large early Christ movements in the first and second centuries A.D. [The Liberal platform.
