The Making of a Conservative Environmentalist Gordon K. Durnil, 1995 Gordon Durnil was the U S Chairman of the International Joint Commission during the Bush administration The IJC is a semi autonomous international organization composed of representatives from the United States and Canada charged with overseeing the quality of the environment in the Great Lakes region In the course of his service on the Commission Mr Durnil became an avid active environmentalist For most of the world the term conservative environmentalist is an oxymoron In this fascinating account of his conversion to environmentalism Durnil demonstrates how and why the saving of our environment is fundamentally a conservative issue

The Limits of Agrarian Radicalism Peter H. Argersinger, 1995 As Ross Perot proved in 1992 even when funded by a bottomless bank account American third parties have always struggled in their efforts to achieve recognition and political power Yet even in defeat their contributions to national politics have been substantial That Peter Argersinger contends was certainly true of the Populists a century earlier Argersinger one of our nation's foremost historians of the Populist era brings together in this volume some of his best and most influential essays ranging from a study of a single election campaign to complex analyses of political organizations legislative behavior and government institutions Together they amply display his consistently sharp and wide ranging insights on this important moment in American life Argersinger examines among other things the Populists evolution in electoral politics from creating a party to running election campaigns the enormous obstacles they overcame in the process of electing a U S Senator specific laws and procedures that suppressed Populism's full political participation hard won successes in Western state legislatures in the face of powerful enemies and numerous internal disputes and the Populists long standing struggles and

frustrations with the U S Congress Throughout Argersinger illuminates the fundamental ways in which Populism challenged our political system and brings to life its volatile personalities dramatic controversies visionary programs and enduring frustrations So frustrating that an Oklahoma Populist once pulled a gun on the Speaker of the House who kept refusing to recognize his request to speak to the assembly Of special interest to political social rural Western and Gilded Age historians this book provides a timely reminder of the political constraints on third parties in America The Indicator ,1888 **The Week** ,1894 Senate documents ,1888 *Interest Group Politics* Allan J. Cigler,Burdett A. Loomis,2006-12-18 Interest Group Politics presents a broad spectrum of scholarship on interest groups past and present In a time of partisan parity when control of Congress is always within reach of the minority party at the next election interest groups have every incentive to keep the pressure on And they do But the imbalance of influence that tilts toward moneyed interests is one of the cornerstones of the political system What does this mean for equal representation In nineteen chapters noted political scientists explore the role of money technology grassroots lobbying issue advocacy advertising and much more in interest group influence Students will learn how the National Rifle Association has become one of the most effective lobbying groups in America what opportunities the openness of the American political process has offered ethnic groups both within and outside the United States how the role of interest groups in elections has changed including 527 s what effect religious organizations had in the 2004 elections and how interest groups affect Supreme Court nominations *Notes on the Isthmus of Panama & Darien, Also on the River St. Juan, Lakes of Nicaragua, &c., with Reference to a Railroad and Canal for Joining the Atlantic and Pacific Oceans* George Peacock,1879
