how the assertion that Israel has lived in constant danger of annihilation of the driving into the sea of its Jews is little more than Zionist propaganda What really was the case after Israel unilaterally declared itself to be in existence was that the Arab armies did not have the ability neither the numbers nor the weapons to defeat Israel s forces Despite some stupid Arab rhetoric to the contrary a propaganda gift for Zionism of which it has made extensive and ongoing use the Arab regimes had no intention of even trying to destroy Israel They were quickly at one with Zionism and the major powers in wanting the Palestine file to remain closed after Israel s first victory on the battlefield There was not supposed to have been a regeneration of Palestinian nationalism for them Arafat s real crime was making this happen Here too is the riveting story of how Zionism assisted by deluded British Prime Minister Eden and America s hawks conned the Western world into believing that Egypt s President Nasser was an enemy of the West when actually he was seeking an accommodation with Israel from almost his first days in power and wanted more than anything else a relationship with America on equal terms with that of Israel Hart also takes us inside the struggle of the first and last American president Eisenhower to attempt to contain Zionism and President Kennedy s unsuccessful attempt to prevent the Zionist state acquiring an atom bomb an acquisition still unadmitted by either the US or Israel to this very day But most importantly Volume II records a turning point the story of the defeat of reason in Israel with Ben Gurion s replacement of Israel s second Prime Minister Moshe Sharett who in October 12 1955 expressed in his diary this prescient fear for the future in view of the ongoing Zionist expansionism of his time What is our vision on this earth war to the end of generations and life by the sword *Index to Jewish Periodicals* ,2004 An author and subject index to selected and American Anglo Jewish journals of general and scholarly interests **The First Zionist Congress** ,2019-02-28 Finalist for the 2019 Foreword INDIES Book of the Year Award in the History category The First Zionist Congress held in Basel Switzerland in August 1897 was arguably the most significant Jewish assembly since antiquity Its delegates surveyed the situation of Jews at the end of the nineteenth century analyzed cultural and economic issues facing them defined the program of Zionism created an organization for planning and decision making and coalesced in camaraderie and shared aspiration Though Zionism experienced multiple conflicts and reversals the Congress s goal was ultimately realized in the establishment of Jewish sovereignty in Palestine the State of Israel in 1948 As Theodor Herzl the Congress s principal organizer declared At Basel I founded the Jewish state This volume presents for the first time a complete translation of the German proceedings into English Michael J Reimer s accessible translation includes explanatory annotations and a glossary of key terms events and personalities A detailed introduction situates the First Zionist Congress in historical context and provides a summary of each day s events The Congress s debates supply a case study in the history of nationalism they feature imagery and tropes used by nationalists all over Europe while appealing to the distinctive heritage of Judaism The proceedings are also important for what they say and omit about the Ottoman state that ruled Palestine as well as the Palestinian Arab people living there This is a foundational primary source in modern Jewish history *Zionism*

David Engel,2013-09-13 Zionism is an international political movement that was originally dedicated to the resettlement of Jewish people in the Promised Land and is now synonymous with support for the modern state of Israel This addition to the Short Histories of Big Ideas series looks at the controversial and topical notion of Zionism from a balanced viewpoint concentrating on where it came from how it accomplished its goals and why it affected so many people
