Clinkscales, Felicia R. Walker**

## **Understanding Organization Middle:**

Understanding Organization Through Culture and Structure Anne Maydan Nicotera, Marcia J. Clinkscales, Felicia R. Walker, 2003-05-14 Understanding Organization Through Culture and Structure Relational and Other Lessons From the African American Organization presents an innovative view of organizations and the communication processes that constitute them Arguing that human beings are communicatively embedded in their cultures Anne Maydan Nicotera and Marcia J Clinkscales working with Felicia R Walker examine issues concerning task and relational orientations and the ways they and other cultural dimensions connect with organizational structure and function for predominantly African American organizations Utilizing the results of their own research on organizations they develop a set of humanistically based models that illustrate how hidden cultural processes suffuse organizational life and are manifest through communication Emphasizing the development of alternative theories and models of organizing which are rooted in African American culture such as team based versus hierarchy based interactions this book explores such organizational functions as leadership and management power authority and control communication and interpersonal dynamics and cultural identity and human development Applying their findings in a broader analysis of contemporary practices in organizational restructuring the authors present research that serves as the foundation for generating several emergent models with significant implications for organizational systems Understanding Organization Through Culture and Structure stimulates and inspires current researchers of organizational communication and is certain to raise greater awareness of the operation of culture in organizing The text is intended for scholars and students in organizational communication management organizational psychology African studies and related areas

Understanding Organizational Change Jean Helms-Mills, Kelly Dye, Albert J Mills, 2008-09-10 This exciting new text fills the gap in the management literature on organizational change It presents a balanced view which raises questions about the imperative of change who's interests are being served how change programmes impact on employees and why organizations continually engage in such programmes It gives readers a comprehensive history of change management literature types of change techniques over time i.e. TQM BPR Balanced Scorecard Six Sigma etc the role of management gurus in the rise and fall of management fashions the impact of organizational change on organizational members The authors provide case vignettes of companies from both sides of the Atlantic which have undergone some of the better known change techniques and explore the reasons for their successes and failures This is an innovative and important new text for students of organizational behaviour organizational change strategy and HRM
