Understanding Sense Volume 1:

Time and Narrative: Volume 1 Paul Ricoeur, 2022-12-22 The first volume in the eminent philosopher's three part examination of time and narrative exploring their relationship in the context of historical writing Time and Narrative builds on Paul Ricoeur's earlier analysis in *The Rule of Metaphor* of semantic innovation at the level of the sentence Ricoeur here examines the creation of meaning at the textual level with narrative rather than metaphor as the ruling concern Ricoeur finds a healthy circle between time and narrative time is humanized to the extent that it portrays temporal experience Ricoeur proposes a theoretical model of this circle using Augustine's theory of time and Aristotle's theory of plot and further develops an original thesis of the mimetic function of narrative He concludes with a comprehensive survey and critique of modern discussions of historical knowledge understanding and writing from Aron and Mandelbaum in the late 1930s to the work of the Annales school and that of Anglophone philosophers of history of the 1960s and 1970s This work in my view puts the whole problem of narrative not to mention philosophy of history on a new and higher plane of discussion Hayden White *History and Theory*

Time and Narrative, Volume 1 Paul Ricoeur, 1984 In the first two volumes of this work Paul Ricoeur examined the relations between time and narrative in historical writing fiction and theories of literature This final volume a comprehensive reexamination and synthesis of the ideas developed in volumes 1 and 2 stands as Ricoeur's most complete and satisfying presentation of his own philosophy
